

CURRICULUM VITAE

Sylvie DHULUT

Senior Scientist in Chemical Process R&D

Chemical Development Department, Industrial Research Center

ORIL Industrie - 13 rue Auguste Desgénétais

CS60125 - 76210 Bolbec - France

Tel +33 (0)2 35 39 32 22

Sylvie.dhulut@servier.com

Education

2004 PhD, University of Cergy-Pontoise, Italy (Prof. J. Ardisson, Dr A. Pancrazy)

2005 Post-doctoral fellow, RWTH Aachen University, Germany (Prof. D. Enders).

2006 Post-doctoral fellow, Institute of Organic and Analytical Chemistry of Orléans, France (Prof. S. Routier)

Career and Positions

Since 2007 Process chemist at Oril Industrie

2006-2007 Institute of Organic and Analytical Chemistry of Orléans, Research fellow in medicinale chemistry in collaboration with UCB-Pharma

2005-2006 RWTH Aachen University, Research fellow in total synthesis

2001-2004 Laboratoire de Synthèse Organique Sélective et Chimie Organométallique, University of Cergy-Pontoise, Research fellow in total synthesis in collaboration with Pierre Fabre Laboratories.

Scientific responsibilities

✚ Production API for pre-clinical and clinical studies (since 2007):

- ✓ *Route design and selection*
- ✓ *Refine the synthetic route and develop the procedures*
- ✓ *Optimizing*
- ✓ *Establish the operating fields*
- ✓ *Adapting the operating modes to industrial constraints*
- ✓ *Transferring the process to production*
- ✓ *Support regulatory affairs*

✚ Performance management (2016-2019)

✚ Belong to the sustainable chemistry group of oril industrie (since 2014): Solvent guide, Greenscore
