

Cyrille Costentin

Born September 11th 1972

Département de Chimie Moléculaire
UMR CNRS 5250 – Université Grenoble-Alpes
cyrille.costentin@univ-grenoble-alpes.fr

Professional Preparation, Appointments

2022	Professor of Chemistry - Université Grenoble Alpes
2019-2022	Secondement at DCM- UMR 5250, Université Grenoble-Alpes
2016-19	Visiting Scholar Harvard University
2007-16	Professor of Chemistry - Université Paris Diderot
2001-07	Assistant Professor - Université Paris Diderot
2000-01	Post-doctoral position, University of Rochester (NY - USA)
1997-00	PhD in Electrochemistry, Université Paris 7
1992-96	B. S. and M. S. in Physical Chemistry, ENS Cachan (Paris-Saclay)

Research

- **137 peer-reviewed publications**, 1 book, 3 book chapters, 4 patents, 32 conferences and 24 invited seminars,
- Air Liquide Award “Essential Small Molecules Challenge” 2016
- Research area: Molecular electrochemistry, electron transfer, proton coupled-electron transfer, molecular catalysis, small molecule activation

Teaching, administration and research expertise

Teaching : General Chemistry (1st year), Thermodynamics (3rd year), Electrochemistry (MS)
In charge of the Chemistry Bachelor degree, Université Paris Diderot (2008-2012)

Administration and research expertise:

- Member of the Scientific Committee of the Chemistry Department –Université Paris Diderot
- Member of the committee of the teaching department Université Paris-Diderot (2008-2012)
- Expert for ANR and AERES
- Referee for NSF, DOE and Welch Foundation...
- Referee for peer-review journals: Wiley, Elsevier, ECS, RSC, ACS...

Fund received

ANR DeNOSOr	2022-26
ANR Electrophos (partner)	2022-26
ANR CALHYCO2 (partner)	2019-23
ANR CATMEC	2014-16
ANR Take Care	2010-13
ANR Bi3Pro (partner)	2010-13
ANR Protocole	2007-11
