EDUCATION

1996-1999 Ph. D. in Organic Chemistry at Paris XI. Dissertation title: Methodology for the diastereoselective synthesis of 1,3-diols: application to the total synthesis of Dolabelide C. Supervisor : Dr J. Prunet.
1995-1996 Agrégation de Sciences Physiques – Option Chimie (4^{ème})
1994-1995 MS of Organic Chemistry at UPMC, Paris VI. Dissertation title: "Synthesis of a precursor for the C cycle of Taxol". Supervisor : Dr J. Prunet.
1993 BsC s at the Ecole Normale Supérieure of Paris (ENS)

POSITIONS

2022 Deputy director of the Chemistry department at the ENS PSL
2019-2023 Research Director at CNRS (DR 2) at the ENS PSL
2016-2019 Research Director at CNRS (DR 2) at the ENS PSL
2012 Researcher at CNRS (CR 1) at the ENS PSL
2011-2023 Professor at the Ecole Polytechnique
2010 Researcher at CNRS (CR 1) at the Ecole Polytechnique
2006 Habilitation à diriger des recherches (HDR)
1999-2010 Assistant Professor at the ENSTA

RESEARCH ACTIVITIES

139 Publications, 1 Patent and 5 Book Chapters

Research Interests:

- Mechanistic studies
- Metal-catalyzed reactions
- Molecular Electrochemistry
- Multicomponent reactions & Isocyanide chemistry

AWARD

2016-2021 Junior Distinguished Member of the French Chemical Society
